#### EPA Says Wyoming Fracking Results Are Consistent

Wall Street Journal

The new findings were released Wednesday by the U.S. Geological Survey, which tested water from one of two monitoring wells the EPA drilled after Pavillion residents started to voice concern years ago about the smell and taste of their water. The ...

#### EPA bringing in heavy equipment to quell Attica industrial fire

Buffalo News

The U.S. Environmental Protection Agency announced Wednesday that it will bring in heavy equipment to break up and extinguish the smoldering 50,000-ton pile of recycling materials at Hillcrest Industries in Attica. EPA Regional Administrator Judith A ...

#### Continental Cement, EPA settle emissions citation

Quincy Herald Whig

According to EPA filings, Continental was cited for exceeding the nitrogen oxide emission limit in 2007 and 2008, and failing to institute EPA-approved projects to reduce emissions. Nitrogen oxide can create ground level ozone and acid rain. Adverse ...
